## PARTS LIST

### Exhaust System

- 1 driver side straight pipe section (part TK)
- 1 passenger side straight pipe section (part TL)
- 2 3/16" vacuum cap
- 2 4" long zip tie

***Please note: While the AWE Tuning R8 4.2L Straight Pipe Exhaust System is warrantied against defects in workmanship, due to the extreme exhaust volume produced they cannot be returned under our Satisfaction Guarantee.***

### Step 1

Installation of the AWE Tuning R8 4.2L Straight Pipe Exhaust System is essentially the reverse of factory muffler removal.

Re-use all factory V-band clamps and mounting fasteners.

Close off the factory exhaust valve vacuum lines with the enclosed caps and zip ties.

Thank you for choosing AWE Tuning as your performance automotive parts supplier. Please remember that a performance car is only as strong as its weakest link. Therefore, it is vital that you maintain your vehicle to factory specifications.

**By installing or using the purchased product, the Consumer accepts this warranty and any specific Manufacturer warranties enclosed.**

## Limited Warranty

The following warranty is valid only in the United States.

The Manufacturer's full warranty applies to all products sold.

Secor Ltd. (AWE Tuning) warrants to the original retail purchaser (Consumer) this product (R8 4.2L Straight Pipe Exhaust System) against manufacturing defects for LIFETIME.

Upon verification of warranty coverage, AWE Tuning will repair or replace the defective product at their discretion, without charge. This is the only remedy the Consumer has for any loss or damage, however arising, due to nonconformity in or defect of the product. This warranty does not cover consequential damage, loss of time or revenues, inconvenience, loss of use of vehicle, labor costs, shipping costs, damage to the vehicle or components, or other incidental or indirect damage.

All warranties are void if the product was not installed by a certified auto mechanic, improperly serviced, modified, or used in a way not intended by the Manufacturer. Use of product in Motorsports or Racing conditions is grounds for warranty denial. Motorsports and Racing is an inherently abusive operational condition, and it is impossible to warranty for this type of usage.

The Consumer is responsible for ensuring that the product is installed in a safe and proper manner, and should cease usage of the product immediately if an unsafe or improper condition is noted. If an unsafe or improper condition is noted, the Consumer should then immediately contact the facility where the product was installed or AWE Tuning directly.

Please contact the original place of purchase for any warranty claims or explanations of this document.
